

Boatman nature tours

Daintree Village Jetty, Daintree, Queensland 4873, Australia

Owner description: Daintree Boatman Nature Tours provides premium nature cruises in a small open vessel for an intimate exploration of the Daintree River and its tributaries. Cruises are generally provided at dawn whilst birds and reptiles are at their most active and visible. On a two hour cruise an average of 45 wildlife species are seen or heard. A checklist of what is seen on each cruise is uploaded to the tour website each day. Cruises depart from the Daintree Village Jetty. Daintree Boatman Nature Tours also provides customised half day and full day road tours, combining a Daintree River cruise with a road tour to key local nature sites. Road tours start from Port Douglas, Mossman or Daintree Village.
